Q. 14 Find out the Act passed by Indian parliament in 1956 based on which fourteen linguistic states and six union territories were constituted

Score : 1 , Time : 4 mts
Q. 15 Hyderabad’s accession to India was the result of a military action Explain the developments related to the merger of Hyderabad.

Score : 4, Time : 6 mts
Learning Outcomes

- 2.1 Describe the hindrances in establishing democracy in India.

Q.1 The first general election of India was a landmark in the history of democracy. Based on this observation discuss the efforts made by the election commission and evaluate the success of first general election.

Scoring Indicators

- India was a poor and illiterate country experimented for establishing democracy based on universal adult franchise and only 15 percent of eligible voter were literate.
- Democracy had existed only in developed western countries.
- As it was the first experience, Election Commission had to complete unusual tasks like delimitation or drawing the boundaries of electoral constituencies, listing of all eligible voters, appointment and training of polling staff and conducting election.
- In the election there were average more than four candidates for each seat,
- More than half of the eligible voters casted their vote.
- Results proved that democracy could be practiced any were in the world.

Score: 6, Time: 10 mts

Learning Outcomes

- 2.2 Explain the nature of congress dominance in first three general elections.

Q. 2 The first past the post system helped the Congress party to maintain a huge majority during initial years of independence. Based on this observation evaluate the seat and vote share of Congress party in the first general election.

Scoring Indicators

- Brief statement on the first past the post system
- Evaluate the result of the first general election by using the following hints- Congress obtained only 45 percent vote but win 74 percent seat.
- Congress Socialist party obtained 10 percent vote but could not win not even 3 percent seat.

Score: 3, Time: 5 mts
Learning Outcomes

- 2.2 Explain the nature of congress dominance in first three general elections.

Q. 3 One-party dominance in India was entirely different from other countries having dominant party system. Compare the one party dominance in India with countries like China and Cuba.

Scoring Indicators

- In India congress dominance existed under democratic conditions. Parties are free to contest in the free and fair election and yet the Congress managed to win election after election
- In countries like Cuba and China constitution permits only a single party to rule the country

Score : 3, Time : 5 mts

Learning Outcomes

- 2.4 Evaluate the INC as a social and ideological coalition.

Q.4 Formulate your observation on the features of Congress as a social and ideological coalition in pre-independence days and the initial years of Indian democracy.

Scoring Indicators

- Congress accommodated different social groups in India. All social sections like peasants and industrialists, urban dwellers and villagers, workers and owners, middle, lower and upper classes and people belonging to various castes worked within congress system. It also represented different regions, languages and various interests.
- Congress as an ideological coalition accommodated revolutionaries and pacifists, conservatives and radicals, extremists and moderates and the rights and the left.

Score : 4, Time : 7 mts

Learning Outcomes

- 2.4 Evaluate the INC as a social and ideological coalition.

Q.5 The legacy of the national movement was one reason for the Congress dominance in the initial years of Indian democracy. Find out other two reasons which helped congress party to establish dominance?

Scoring Indicators

- Popular and charismatic leadership of Nehru
- Leaders those who were in the forefront of freedom movement contested as Congress candidates.
- Nature of Congress as the well organised political party throughout the territory of India
- (Write any two reasons, each one carries two scores)

Score : 4, Time : 4 mts
Learning Outcomes
- 2.5 List out major opposition parties and its leaders.

Q. 6 The interim government of Nehru included two opposition leaders. Write the name of those leaders.

Score: 2, Time: 2 mts

Learning Outcomes
- 2.6 Differentiate the programmes, policies and ideologies of various opposition parties.

Q. 7 Match the following leaders and Parties.

<table>
<thead>
<tr>
<th>Leader</th>
<th>Party</th>

<tr>
<td>C. Rajagopalachari</td>
<td>Socialist Party</td>
</tr>
</tbody>
</table>

Score: 2, Time: 4 mts

Learning Outcomes
- 2.6 Differentiate the programmes, policies and ideologies of various opposition parties.

Q. 9 The Bharatiya Jana Sangh was different from other parties in terms of ideology and programmes. Point out any three ideological features of Bharatiya Jana Sangha.

Score: 4, Time: 4 mts

Learning Outcomes
- 2.6 Differentiate the programmes, policies and ideologies of various opposition parties.

Q. 10 Even though the opposition parties in India have token representation in the Lok Sabha and state Legislatures they performed effective role in
strengthening our democratic politics. Do you agree with this statement? Justify your observation.

**Scoring Indicators**

- Opposition parties offered a sustained and often principled criticism of the policies and practices of Congress party
- There were mutual respect between the leaders of Congress and opposition
- The groomed leaders of opposition were also played a crucial role in the shaping of country

*Score: 4, Time: 6 mts*

**Learning Outcomes**

- 2.6 Differentiate the programmes, policies and ideologies of various opposition parties.

**Q. 11** A list of the ideological programmes of political parties is given below. Classify them as the feature of Communist party, Socialist party, Jana sangh and Swathanthra Party.

- Democratic Socialism
- The transfer of power in 1947 was not true independence.
- Opposed nationalization and public sector.
- Opposed concession to the minority religions.

**Scoring Indicators**

- Communist Party - The transfer of power in 1947 was not true independence
- Socialist Party - Democratic socialism
- Jana sangh - Opposed concession to the minority
- Swathanthra Party - Opposed nationalisation and public sector

*Score: 4, Time: 4 mts*
3.1 Evaluate the political contestation behind various ideas of development.

Q. 1 After independence there emerged many debates on development. Various socio-political sections in society had presented their own views on development. Evaluate the major discussions and debates during that period using following hints.

- Economic growth and social justice
- Role of government
- Importance of planning
- Capitalist model Vs Socialist model

Scoring Indicators

Brief explanation of any three hints, each carries 2 marks.

Score : 6 , Time : 10 mts

Learning Outcomes

- 3.1 Evaluate the political contestation behind various ideas of development.

Q. 2 Find out the models of developments before independent India? Explain the main features of our model of economic development.

Scoring Indicators

- Liberal capitalist model
- Soviet model
- The economic concern of free India should be different from narrowly defined commercial functions
- The task of poverty alleviation and socio-economic redistribution was being seen as primary responsibility of the government.

Score : 5 , Time : 9 mts

Learning Outcomes

- 3.1 Evaluate the political contestation behind various ideas of development.

Q. 3 Some defines development as becoming modern and like industrialised countries of the West. Briefly explain modernisation as a concept of
development.

**Scoring Indicators**

- Modernisation is the breakdown of traditional social structures and the rise of capitalism and liberalism.
- It is associated with ideas of growth, material progress and scientific rationality.

**Learning Outcomes**

- 3.2 Explain the role of planning commission in development.

Q. 4 There was a global context which led to the adoption of planning in India. Briefly narrate the factors which persuaded us to adopt planned development.

**Scoring Indicators**

- Planning as a process of rebuilding economy earned good deal of public support all over the world in 1940s and 1950s.
- The great depression in Europe, the interwar reconstruction Germany and Japan.
- The economic growth in Soviet Union in 1930s and 1940s.

**Learning Outcomes**

- 3.2 Explain the role of planning commission in development.

Q. 5 Identify the developmental plan proposed by a section of big industrialists in 1944?

A) Plan for independent India.
B) Bombay plan.
C) Five Year Plan.
D) Gandhian Plan

**Scoring Indicators**

B) Bombay plan.

**Learning Outcomes**

- 3.2 Explain the role of planning commission in development.

Q. 6 Identify the chairman of planning commission?

a) President of India.
b) Prime Minister of India.
c) A renounced economist.
d) Finance Minister

**Scoring Indicators**

Prime Minister of India

**Learning Outcomes**

- 3.2 Explain the role of planning commission in development.

Q. 7 Find out the function of planning commission from options given below?
Learning Outcomes

- 3.2 Explain the role of planning commission in development.

Q. 8 Identify the country from which we adopted the concept of Five Year Plan?

a) Britain  
b) USA  
c) USSR  
d) China

Learning Outcomes

- 3.3 Differentiate first and second five year plans.

Q. 9 Point out the main ideas behind the concept of five year plans in India.

Learning Outcomes

- 3.3 Differentiate first and second five year plans.

Q. 10 “The first Five Year Plan sought to get the economy out of cycle of poverty”. Justify this statement on the basis of the approach of the first Five Year Plan.

Scoring Indicators

- Main focus was on agrarian sector including dams and irrigation in order to increase agricultural production.
- Focused on land reforms as the key to development.
- Raise the level of nation income.
- Justification
Learning Outcomes

- 3.3 Differentiate first and second five year plans.

Q. 11 The first and second Five Year Plans were entirely different in many ways. Make a comparison between First and Second Five Year plans.

Scoring Indicators

- Features of First Five Year Plan
- Features of Second Five Year Plan
- Comparison between the two

Score: 5, Time: 9 mts

Learning Outcomes

- 3.3 Differentiate first and second five year plans.

Q. 12 The second five year plan has laid strong foundation to industrial development in India. Explain on the features of Second Five Year Plan?

Scoring Indicators

- Emphasis on rapid industrialisation
- Influence of socialist pattern of society
- Imposed tariff for the protection of domestic industries.

Score: 3, Time: 3 mts

Learning Outcomes

- 3.3 Differentiate first and second five year plans.

Q. 13 The second and third five year plans invited certain criticisms. Critically analyse any two criticisms.

Scoring Indicators

- India was technologically backward and had to spend foreign exchange to buy it for industrial development.
- Industry attracted more investment than agriculture and there emerged the possibility of food shortage.
- These Five Year Plans have an urban bias and Indian planners found difficulty in maintaining a balance between agriculture and industry.

Score: 3, Time: 5 mts

Learning Outcomes

- 3.4 Evaluate key controversies related to development strategies.

Q. 14 The controversies involved in the Five Year Plans are given below. Critically evaluate them under present conditions.

- Agriculture Vs Industry
- Private sector Vs Public Sector
Learning Outcomes

- 3.4 Evaluate key controversies related to development strategies.

Q. 15 Identify the person who proposed a blueprint for rural industrialisation as an alternative to Second Five Year Plan?
   a) Charan Singh  
   b) P C Mahalanobis  
   c) K N Raj  
   d) J C Kumarappa

Learning Outcomes

- 3.4 Evaluate key controversies related to development strategies.

Q. 16 Independent India faced three major challenges. Out of these three the challenge of ensuring development with social justice is very difficult to realise. Evaluate the reasons for this difficulty?

Learning Outcomes

- 3.5 List out major outcomes of Five Year Plans.

Q. 17 Some of the major outcomes of our developmental planning are given below. Give brief explanation on them?
   a) Foundations of Indian economy  
   b) Land reforms  
   c) Green revolution

Learning Outcomes

- 3.5 List out major outcomes of Five Year Plans.

Q. 18 The Green revolution has increased the availability of food in the country
which in turn has long term impact on our socio-political and economic life. Critically examine the green revolution?

**Scoring Indicators**

- Influence of USA in our economic policies
- Change in the priority and strategy in agriculture
- Rich peasants and large land owners were the beneficiaries
- Created conditions favourable to left – peasant organisations
- Rise of middle class
  Any four points

*Score : 4 , Time : 6 mts*

**Learning Outcomes**

- 3.6 evaluate the role of planned development in India’s developmental process.

Q. 19 By 1980 the concept of state led economic development faced serious retreat. Analyse the challenges faced by state centered developmental programmes?

**Scoring Indicators**

- The planning continued but its importance has decreased.
- Low growth rate of the economy
- Inefficiency and corruption in public sector.
- Passive role of bureaucracy in economic development
- Depletion of popular support in favour of state led economic programme.
  Any four points

*Score : 4 , Time : 5 mts*

**Learning Outcomes**

- 3.1 Evaluate the political contestation behind various ideas of development, 3.4 Evaluate key controversies related to development strategies, 3.5 List out major outcomes of Five Year Plans.

Learning Outcomes

- 4.1 Describe the internal and external factors that shaped India’s foreign policy.

Q. 1 Briefly explain the national and international context in which India’s foreign policy was formulated?

▲ Scoring Indicators

External factors:
- The end of WW II and the issues of reconstruction
- Collapse of colonialism and emergence of new independent states
- Era of cold war
- Newly independent countries faced twin challenges of welfare and establishing democracy
- Disputes related with partition of India

Internal factors
- Maintenance of national interest
- Uphold India’s status at international level

Score : 3 , Time : 7 mts

Learning Outcomes

- 4.1 Describe the internal and external factors that shaped India’s foreign policy.

Q. 2 Our first Prime Minister Jawaharlal Nehru has played a crucial role in formulating the foreign policy of independent India. Point out the main objectives of Nehruvian foreign policy.

▲ Scoring Indicators

- Preserve the hard earned sovereignty
- Promote territorial integrity
- Promote rapid economic development

Score : 3 , Time : 6 mts

Learning Outcomes

- 4.2 Recreate the role of Nehru in the formation of Indian foreign policy.
Q.3 Estimate the role of Jawaharlal Nehru in formulation of Indian foreign policy?

Scoring Indicators

- Nehru was also our foreign minister from 1946-1964
- Laid foundations our foreign policy based on non alignment
- Nehru adopted a foreign policy which is conducive to national objectives

Learning Outcomes

- 4.2 List out the major events that led to the formation of non alignment.

Score: 3, Time: 7 mts

Q.4 Indian policy of non alignment was very difficult to follow perfectly. It is criticised that Indian non alignment has so many pitfalls. Critically examine the above statement and justify the policy of non alignment?

Scoring Indicators

- India wanted to keep away from military alliances
- Took independent stand on international issues
- Adopted non alignment on the basis of our national interest and demand for socio-economic development.

Learning Outcomes

- 4.2 Recreate the role of Nehru in the formation of Indian foreign policy.

Score: 4, Time: 7 mts

Q.5 Identify the political party in India which demanded pro US foreign policy?

a) CPI
b) Socialist Party
c) Swathantra Party
d) Congress party

c) Swathantra Party

Score: 1, Time: 1 mts

Q.6 India’s policy of non alignment is criticised as pro-soviet alignment. Critically examine this statement

Scoring Indicators

- In 1956 when Britain attacked Egypt over Suez Canal issue India led the world protest against this neo-colonial invasion. But when USSR invaded Hungary India did not join public condemnation.
- The influence of USSR on our economic development and Five Year Plans
• 20 year treaty of peace and friendship with USSR in 1971.
• Logical arguments and presentations

Score: 5, Time: 9 mts

Learning Outcomes

d) Jai Jawan Jai Kissan

Score: 1, Time: 1 mts

Learning Outcomes

- 5.1 Narrate the political history from Nehru to Indira Gandhi.

Q. 3 The selection of Lal Bahadur Shastri and Indira Gandhi to Prime Ministership was different in many ways. Check the differences?
**Scoring Indicators**

- In the case of Shastri there was intervention of K Kamaraj to bring consensus. But in the case of Indira Gandhi there was no such consensus.
- Shastri was unanimously elected as Leader. But Indira Gandhi was selected through a secret ballot among congress MPs.
- Shastri was a non controversial leader having long experience as minister for many years. But in the case of Indira Gandhi there was opposition from Morarji Desai.
- Though Senior Leaders backed Indira Gandhi the issue of selection could not be made in an unanimous manner.

Score : 4, Time : 5 mts

**Learning Outcomes**

- 5.2 Explain the context of general election 1967.

Q. 4 The fourth General election of 1967 is a landmark in the political history of India. Analyse the major issues that influenced the fourth general election?

**Scoring Indicators**

- The death of two Prime Ministers
- The new Prime Minister lacked experience
- Grave economic crisis
- Emergence of peoples’ protest and struggles for greater equality
- Armed struggles organized by CPI (ML)
- Emergence

Score : 5, Time : 6 mts

**Learning Outcomes**

- 5.3 Define terms like coalition, defection and non-congressism.

Q. 5 Find out the personality behind the concept of Non-congressism?

a) Ram Manohar Lohia
b) Jayaprakash Narayanan
c) Acharya Narendradev
d) S. M. Joshi

**Scoring Indicators**

a) Ram Manohar Lohia

Score : 1, Time : 1 mts

**Learning Outcomes**

- 5.3 Define terms like coalition, defection and non-congressism.

Q. 6 Non-congresissism is a strategy which influenced the election of 1967. Define Non-congresissism?

**Scoring Indicators**

- The term Non-congresisssism was first coined by socialist Leader Ram Manohar Lohya.
• Opposition parties realized that the division of their votes kept the congress in power.
• By forming an anti congress front they can expel congress from power

Score : 3 , Time : 4 mts

Learning Outcomes

• 5.3 Define terms like coalition, defection and non-congressism.

Q. 7 Defection is an important feature of politics after 1967. Analyse defection and observe how it influenced the politics after 1967?

Scoring Indicators

• Defection means an elected representative leaves his party on whose symbol he was elected and joins another party.
• It played a major role in the making and unmaking of state governments after 1967.
• Break away congress legislators played important role in installing non-congress governments in many states.

Score : 6 , Time : 4 mts

Learning Outcomes

• 5.5 Evaluate the reason for the congress split in 1969. 5.10 Critically evaluate the restored congress system.

Q. 8 Serious differences between Indira Gandhi and congress syndicate resulted in the split of Congress in 1969. Even then Indira Gandhi was able to restore the congress domination in 1971. Critically evaluate the reasons for split and the nature of restored congress system?

Scoring Indicators

• Serious differences between Indira Gandhi and congress syndicate on policy issues.
• Presidential election 1969
• Not revived the old congress system but re invented the party
• The revived congress relied entirely on the popularity of Leader
• The party did not have many factions and could not accommodate all kinds of opinions.

Score : 7 , Time : mts

Q. 4 Find out the two military alliances which were initiated by USA in the Asian continent during cold war.

Learning Outcomes

- 10.8 List out different arms control treaty during cold war period.

Q. 5 Point out the three significant treaties on arms control signed during cold war period.

Learning Outcomes

- 10.4 Explain the formation of NAM and evaluate its relevance in post cold war era.

Q. 6 Non-Alignment Movement as an international organization was a challenge to bi-polar rivalry during cold war. Justify your arguments on the above statement based on the origin and features of NAM.
Learning Outcomes

- 10.5 Describe the importance of NIEO and the reasons for its failure.

Q. 8 Evaluate the initiatives of New International Economic Order as an attempt to lift the least developed countries from poverty to economic development.

Scoring Indicators

- Most of the newly independent nations are Least Developed Countries – their people lived in poverty – they remain dependent on the developed countries – for true freedom these nations need sustainable development.
- UNCTAD report towards a New Trade Policy for Development which originate the idea of New International Economic Order – give the LDCs control over their natural resources exploited by western countries – obtain access of western market to LDCs – reduce the cost of technology from western countries – provide the LDCs with a great role in international economic institutions.

Score : 5 , Time : 6 mts

Learning Outcomes

- 10.6 Summarise the role of India in reducing cold war tensions.

Q. 9 Point out the nation with which India signed the Treaty of friendship in 1971.

Scoring Indicators

- USSR

Score : 1 , Time : 1 mts

Learning Outcomes

- 10.6 Summarise the role of India in reducing cold war tensions.

Q. 10 Find out two major criticisms against India’s non-alignment policy.

Scoring Indicators

- Unprincipled – no firm stand on crucial international issues.
- Criticised for joining alliance with USSR in the ground of Treaty of Friendship for 20 years.
Learning Outcomes

- 11.1 Evaluate the uniqueness of soviet system and critically examine its weaknesses.

Q. 1 State the features of Soviet Union as a socialist state. Analyse the factors which weaken the system.

⚠️ Scoring Indicators

- Socialist revolution in 1917 – opposed capitalism – centered around communist party – abolished the institution of private property – designed a society based on equality – complex communication networks, vast energy resources and effective transport sector – ensured minimum standard of living – no unemployment – state ownership.
- Internal weakness of soviet economic and political institutions. – Lack of democracy - random corruption – centralization of authority – dominance of communist party. Nationalist sentiments in soviet republics – reforms implemented by Gorbachev.

Score : 6 , Time : 10 mts

Learning Outcomes

- 11.2 Explain the efforts of Michail Gorbachev to reform the soviet system and the process of disintegration. Describe the reasons for the disintegration of Soviet Union and evaluate its consequences.

Q. 2 Discuss the initiatives of Gorbachev to reform the soviet system which in turn led to the disintegration of USSR.

⚠️ Scoring Indicators

- Technologic revolution in the west – rapidly escalating crisis with in the USSR – Gorbachev initiated the policy of economic and political reform and democratization with in the country.
- Coup in 1991 encouraged by Communist Party hardliners – Emergence of Boris Yeltsin as national hero – he won popular action against military coup – it began to shake of centralized control – in December 1991 under the leadership of Yeltsin Russia, Ukrain and Belarus declared the Soviet Union was disbanded – communist party was banned – capitalism and democracy were adopted.

Score : 4 , Time : 6 mts
of disintegration. Describe the reasons for the disintegration of Soviet Union and evaluate its consequences.

Q. 3 Substantiate your observation on the cause and consequences of the disintegration of Soviet Union.

Score Indicators

- Political and economic institutions failed to meet the aspirations of the people – severe shortage of consumer goods – huge expenditure to maintain military arsenal and economic development of satellite states in the East Europe – the unaccountability, bureaucratisation and corruption in the Soviet Communist Party – Gorbachev’s attempt to reform – nationalism within various republics
- End of Cold War – emergence of a unipolar world – collapse of communist regime in East Europe and transformed to liberal capitalist economy – World Bank and IMF became powerful advisors of East European States – emergence of many new states – many of East European states become parts of European Union and NATO.

Score: 6, Time: 10 mts

Learning Outcomes

- 11.2 Explain the efforts of Michail Gorbechev to reform the soviet system and the process of disintegration. Describe the reasons for the disintegration of Soviet Union and evaluate its consequences.

Q. 4 Name the last General Secretary of Soviet Communist Party from the leaders given in bracket.

(Joseph Stalin, Nikita Khrushchev, Leonid Brezhnev, Michail Gorbechev)

Score Indicators

Michail Gorbechev

Score: 1, Time: 1 mts

Learning Outcomes

- 11.1 Evaluate the uniqueness of soviet system and critically examine its weaknesses.

Q. 5 Name the founder of Soviet Union.

Score Indicators

V. I. Lenin

Score: 1, Time: 1 mts

Learning Outcomes

- 11.3 Discuss the process of shock therapy in post communist states and evaluate its consequences.

Q. 6 Examine shock therapy as a transformation of economy from authoritarian socialism to democratic capitalism. Evaluate its consequences.
Scoring Indicators

- Influence of World Bank and IMF
- Total shift to capitalist economy
- Private ownership – collective farming replaced by private farming.
- Foreign direct investment
- State controlled industrial complex collapsed
- Decline of the value of Ruble
- Social welfare System destroyed

(Elaborate any three points)

Score : 6 , Time : 7 mts

Learning Outcomes

- 11.3A Explain the relation of India with post communist countries.

Q. 7 Evaluate the nature of India’s relationship with Russia as it is mutually helpful in many ways.

Scoring Indicators

- Both believes in collective security
- Negotiated settlement of international conflicts – more than 80 bilateral agreements have been signed as a part of strategic agreement of 2001
- Benefits to India on issues like Kashmir, energy supplies, sharing information on international terrorism
- Benefit to Russia since India as the second largest arms market and import energy from Russia
- Both states collaborate on various scientific projects.

(Any four points with explanation)

Score : 4 , Time : 7 mts
US HEGEMONY IN WORLD POLITICS

Learning Outcomes

- 12.1 Describe the beginning of new world order.

Q. 1 Identify the war that marked as the beginning of the new world order.

Score: 4, Time: 4 mts

Scoring Indicators

The first Gulf War/Operation Desert Storm.

Q. 2 Point out any two issues of soft and hard politics engaged by US in the international politics during Clinton years.

Score: 4, Time: 4 mts

Scoring Indicators

Soft issues
- Climatic change
- Promotion of democracy

Hard issues
- US bombing in Kosovo
- Operation infinite reach against Al-Qaeda as a response to the bombing of US embassies in Nairobi, Kenya, Dar-es Salaam in Tanzania.

Q. 3 Formulate your information on 9/11 and the Global War on Terror.

Score: 4, Time: 4 mts

Scoring Indicators

- Hijackers from Arab countries took control of four American commercial aircrafts – flew into important buildings of US – killed nearly three thousand persons
- President Bush declared Global war on Terror
- The US launched operation enduring freedom against all those suspected to be behind this attack.
Learning Outcomes

• 12.2 List out the historic incidents which led to the establishment of new world order.

Q. 4 Match the following US military operations with the President of US.

<table>
<thead>
<tr>
<th>Operation</th>
<th>President</th>
</tr>
</thead>
<tbody>
<tr>
<td>Operation Desert Storm</td>
<td>Bill Clinton</td>

<td>George H.W. Bush</td>
</tr>
</tbody>
</table>

Score : 3 , Time : 5 mts

Learning Outcomes

• 12.3 Evaluate the various aspects of US hegemony in world politics.

Q. 5 The post cold war era in world politics is marked with the feature of US hegemony. Present your idea on US hegemony and examine the three dimensions of this hegemony.

Scoring Indicators

US domination in the unipolar world
• Hegemony as hard power - US military dominance is absolute and relative – US military expenditure is more than the next 12 powers – Iraq invasion shows the American capacity to conquer.
• Hegemony as soft power– considering ideological or cultural dimension – create ascendency of the dominant class – ideological resource to shape the behaviour of competing – blue jeans as the symbol of liberation.

Score : 6 , Time : 10 mts

Learning Outcomes

• 12.5 List out the factors which limits the American hegemony.

Q. 6 Identify the three constrains which limits the US hegemony in world politics.

Scoring Indicators

• The US is a system based on division of powers between three branches of government places significant limits on US hegemony.
• American public opinion.
• Influence of NATO

Score : 3 , Time : 4 mts
Learning Outcomes

- 12.2 List out the historic incidents which led to the establishment of new world order.

Q. 7 Identify the correct statement relating to Iraq invasion of 2003.
- Global war on Terror
- Operation Iraqi Freedom
- Operation infinite reach
- Operation enduring freedom

Scoring Indicators
- Operation Iraqi Freedom

Score : 1 , Time : 1 mts

Learning Outcomes

- 12.4 Critically analyse the hegemony of US and find out the strategies to overcome the hegemony.

Q. 8 Nations adopt various measures to overcome the interventions of hegemonic power. Suggest your measures to overcome US hegemony.

Scoring Indicators
- Military coalition of China, India and Russia as a military potential to challenge US hegemony.
- Extract the benefits by operating within the hegemonic system.
- Staying as far removed from the dominant power as possible.
- Combination of non-governmental organizations, social movements and public opinions to move against and criticize hegemonic policies of US.

Score : 4 , Time : 6 mts
Learning Outcomes

- 13.1 Evaluate the capabilities European Union as an alternative centre of Power, 13.2 List out the integration process of Europe and the formation of EU.

Q. 1 Some important events related with European Union are given below, arrange them correctly in the given table.

European Union, the Council of Europe, Organization for European Economic Co-operation, European Economic Community.

**Q. 6** One of the major challenges faced by Sri Lanka is the problem of Tamil minority. India has intervened in the issue since it is a problem of Tamils people having Indian origin. Briefly explain the ethnic conflict in Sri Lanka and Indian intervention in it.

**Scoring Indicators**

- Brief description of the ethnic conflict in Sri Lanka.
14.9 Evaluate India’s relation with neighboring nations like Nepal, Bhutan, Bangladesh and Srilanka.

Q. 7 There are many areas of conflicts between India and Pakistan. Discuss the issues which influence the relation between two countries.

**Scoring Indicators**
- Kashmir issue
- Water sharing disputes
- Arms race
- Brief explanation

14.8 Assess the possibilities of co-operation between India and Pakistan since independence.

Q. 8 India has a central role in South Asia due to socio-political economic and geographic factors. This influences India’s relation to its neighbors. Critically examine the issues involved in India’s relation to other South-Asian countries.

**Scoring Indicators**
- Indo-Bangladesh water sharing disputes and non co-operation of Bangladesh for resolving the crisis in North Eastern states.
- Indo-Nepal Trade disputes and warm relation between China and Nepal
- Indo-Srilankan relation affected by issues of Tamil minority in Srilanka
- Neighbors are suspicious on Indian intentions and India is of the view that they are exploited by neighbors.

14.8 Assess the possibilities of co-operation between India and Pakistan since independence.

Q. 9 Even though there are many conflicting areas between India and its neighbors at the same time initiatives for cordial relations are also gradually improving. Find out the areas in which India has been developing peaceful relations with its South Asian neighbours.

**Scoring Indicators**
- Indo-Bangladesh economic relation has been improved considerably.
- Bangladesh is a part of India’s Look East Policy.
• Trade, scientific co-operation, common natural resources, electricity generation and interlocking water grid etc hold India and Nepal together.
• India’s help in post Tsunami reconstruction process in Srilanka.

Score : 4  , Time : 6 mts

Learning Outcomes

• 14.10 Analyse the role of SAARC in building peace and cooperation in this region and the initiation for establishing SAFTA.

Q. 10 SAARC has initiated steps towards enhancing the economic cooperation. Explain the role and the efforts of SAARC to promote economic cooperation and identify its limitations.

Score : 4  , Time : 6 mts
Learning Outcomes

- 15.1: Explain the need and importance of international organizations.

Q. 1 Some says that international organizations are ornamental organizations. They can do nothing during crises. Critically examine the statement and present your arguments in favour of international organizations.

⚠️ Scoring Indicators

- International organizations help member states to resolve problems and conflicts peacefully
- Helps to face the challenges of epidemics and environmental degradation.
- It provides platform for co-operation, produce information and ideas for cooperation.
  (Consider students’ arguments and presentation)

Score : 4 , Time : 6 mts

Learning Outcomes

- 15.3 Describe the evolution of UNO and states its main objectives.

Q. 2 The United Nation was founded as a successor of the League of Nations. There are certain objectives behind the formation of UNO. Briefly explain the main objectives of UNO.

⚠️ Scoring Indicators

- Prevent international conflict and facilitate co-operation among states
- If war occurs limit the extent of hostilities
- Bring socio-economic development all over the world, absence of which may led to conflicts.

Score : 3 , Time : 5 mts

Learning Outcomes

- 15.4 Explain the need and importance of UN reform.

Q. 3 After the end of cold war the world has changed much and there is a need to reform the United Nations. Evaluate the global context which necessitates the reform of UNO.

⚠️ Scoring Indicators

- Soviet Union has collapsed.
• US become a hegemonic power.
• Russia – US co-operation has increased.
• Emerging economies like China and India.
• Asian economies are growing fast.
• New threats like terrorism, civil war, genocide, epidemics

(Any four points)

Score : 4 , Time : 6 mts

Learning Outcomes

• 15.5 Critically evaluate whether suggested reforms are in accordance with the contemporary realities and check if it will elaborate the jurisdiction of UNO.

Q. 4 Restructuring of UN is a necessity of the contemporary world. The reform of UN has been suggested in two directions. Find out the suggested reform of UNO and explain each of them.

_attempts

Scoring Indicators

• Reform of the structure and process.
• Reforms in the jurisdiction of UN
  (Brief description on each)

Score : 4 , Time : 6 mts

Learning Outcomes

• 15.5. Critically evaluate whether suggested reforms are in accordance with the contemporary realities and check if it will elaborate the jurisdiction of UNO.

Q. 5 There are so many reforms suggested against the structures and jurisdiction of UN. But there are so many criticisms against the suggested reforms. Make a critical estimation of the UN reforms.

_attempts

Scoring Indicators

• How much economic and military power is needed to qualify as a permanent member in Security Council?
• What should be the level of budget contribution?
• Whether population is an asset or liability.
• What the peace building commissions do?
• Who will define human rights?
  (Any four points)

Score : 4 , Time : 7 mts

Learning Outcomes

• 15.7 Justify India’s demand for permanent membership in UN Security Council and analyze the changing role of UNO in a unipolar world.

Q. 6 India has been demanding permanent membership in UNO for a long time. But some scholars present the limitations on India to become a permanent member. Write arguments in favor of and against the demand for permanent membership of India in UNO.
Scoring Indicators

Arguments in favor of permanent membership
- As a leader of developing country
- One fifth of world population.
- Largest democracy
- Participation in UN initiatives
- As an emerging economy
  (Any three)

Arguments against permanent membership
- Many other countries including Pakistan opposes.
- Some think that countries from Africa and South America should be included in Security Council before India.
- Other emerging powers like Brazil, Germany, and Japan also contestants for permanent membership.

Learning Outcomes

- 15.7 Justify India’s demand for permanent membership in UN Security Council and analyze the changing role of UNO in a unipolar world.

Q. 7 Critics argue that UN has lost its relevance in unipolar world and UNO has become United States’ Organisation. Critically examine the statement and justify the relevance of UN in unipolar world.

Scoring Indicators

- USA stands as the only super power. Its military and economic power allow it to ignore the UNO
- America is the largest contributor to UN budget with its veto power US can stop any moves.
- UN can bring US and the rest of the world into discussions over various issues.
- It can bring 193 member nations in a single platform to deal conflicts and socio-economic development.
- It is the only organization which can modify US attitudes and policies.
  (Any three points)

Score: 6, Time: 8 mts
Learning Outcomes

- 16.1 Describe the meaning of security.

Q. 1 Security is a slippery idea which has different meaning in different contexts. Explain the meaning of security.

Score: 3, Time: 4 mts

Scoring Indicators

- Security implies freedom from threats.
- Threats to core values of the country is considered as security threats
- It has traditional and non-traditional notions

Learning Outcomes

- 16.2 classify the threats of security as traditional and nontraditional.

Q. 2 Traditional notion of security has external and internal threats. Explain external threat to security and list out the choices that nations adopt to respond to these threats.

Score: 4, Time: 6 mts

Scoring Indicators

- As per external concept of security the greatest danger to a country is military threats from another country.
- Military action endangers the core values like sovereignty, independence and territorial integrity. It endangers the lives of citizens.
- To responding to these threats government has three choices. – To surrender, prevent them from attacking by promising to raise the costs of war and defend itself if war actually happens.

Learning Outcomes

- 16.2 classify the threats of security as traditional and nontraditional.

Q. 3 Some components of traditional security policy is given below. Analyze how nations make use of these components to face the military threats from other nations?

- Balance of Power
• Alliance building

**Scoring Indicators**

- Balance of Power
  - Maintain balance of power between their country and other countries
  - Work hard to maintain a favorable balance of power
  - Building military as well as economic and technological power.

**Alliance Building**

- Alliance is a coalition of states that coordinate their actions to deter or defend against military attack.
- Alliances are formalized in written treaties.
- Alliances are based on national interests
  (Any two from each)

*Score: 4, Time: 6 mts*

**Learning Outcomes**

- 16.2 classify the threats of security as traditional and nontraditional.

Q. 4 Traditional security has external and internal notions. Point out the internal security threats and explain them?

**Scoring Indicators**

- Violence or threat of violence inside the borders is considered as internal threat
- Threats of internal military coup.
- Threats from separatist movements which wanted to form Independent countries.
- Sometimes internal and external threats converged- Neighboring state supports separatist movements.

*Score: 4, Time: 6 mts*

**Learning Outcomes**

- 16.2 classify the threats of security as traditional and nontraditional.

Q. 5 Co-operation among countries helps to reduce external threats. Explains how co-operation reduces or limits conflicts and maintains peace?

**Scoring Indicators**

- Co-operation among nations limits violence.
- Limit both ends and means of war
- Disarmament and arms control treaties can reduce violence.
- Confidence building among nations helps to avoid unnecessary wars.

*Score: 4, Time: 6 mts*

**Learning Outcomes**

- 16.2 classify the threats of security as traditional and nontraditional.

Q. 6 Some international treaties are given below. Arrange them properly in the given table?

- Biological weapons convention.
Q. 7 Non – traditional notion of security has two connotations, human security and global security. Formulate your observations on nontraditional notion of security?

Learning Outcomes

• 16.4 describe the features of non- traditional notion of security.

Q. 8 In the present day international scenario individuals and communities are more under the threat of terrorism, health epidemics etc because these kill more people than war. In the light if this statement critically analyze any two new sources of threat to security?

Scoring Indicators

• Nuclear non-Proliferation Treaty
• Strategic Arms Reduction Treaty
• Chemical weapons convention.

Learning Outcomes

• 16.5 Evaluate the new sources of threat to security.

Scoring Indicators

• Terrorism
• Human Rights
• Global Poverty
• Health epidemics
  (Analyze any two)
Learning Outcomes

- 16.6 Evaluate the new importance of co-operation for security in the contemporary world.

Q. 9 Nontraditional threats to security require cooperation than confrontation. Based on this statement evaluate the importance of co-operation among nations to face new security threats?

Scoring Indicators

- Military action has a limited role in combating terrorism or in enforcing human rights.
- Military has nothing to do alleviation of poverty or control of epidemics
- Co-operation may be bilateral, regional or international
- International organizations, nongovernmental organizations as well as regional organizations play a major role in promoting co-operative security. Co-operative security may involve the use of force as a last resort.

Score : 6 , Time : 4 mts

Learning Outcomes

- 16.7 List out the various components of India’s security strategy.

Q. 10 India faces traditional and nontraditional threats to its security. So India adopted a security strategy which has four broad components. Explain the components of India’s security strategy?

Scoring Indicators

- Strengthening military capabilities because India has involved in conflict with its neighbours.
- Strengthening international norms and international institutions like U.N.O
- Meeting security challengers within the country. Strategy to meet militant groups in Kashmir, Nagaland, Manipur etc
- Development of economy and alleviation of poverty and removal of inequalities in the country.

Score : 4 , Time : 5 mts
Learning Outcomes

• 17.1 List out various global environmental problems.

Q. 1 Environmental concerns are the main issue of discussion in the present day international conferences. State any two environmental concerns of the world?

 آلاف Scoring Indicators

• Depletion of cultivable area.
• Lack of safe drinking water and sanitation.
• Destruction of natural forests and Biodiversity
• Depletion of Ozone
• Increasing costal pollution

Explain any two

Score : 4 , Time : 5 mts

Learning Outcomes

• 17.1 List out various global environmental problems.

Q. 2 Find out the global think tank which published a book in 1972 entitled “Limits to Growth”?

a. The Club of Rome
b. Rio Summit
c. Paris Conference
d. Stockholm Conference

 آلاف Scoring Indicators
