Kerala School Education Congress- 2023 (KSEC-2023)

Genesis

The Kerala School Education Congress-2023 (KSEC-2023) will be organized by the General Education Department under the auspices of SCERT Kerala for the first time in the state of Kerala from April 1-3, 2023. It will be an annual event and a platform to bring together administrators, policymakers, faculty members, teacher educators, teacher trainees, parents, students, and interested persons to exchange knowledge and share advances in the field of school education. The Congress is envisioned to promote research on school education for the benefit of the state.

The KSEC would become a platform to deliberate on a chosen focal theme every year to sensitize and encourage the different stakeholders to contribute constructively to achieve the mission of the Department of General Education, Government of Kerala under the aegis of SCERT Kerala. This would provide opportunities for the different agencies of the department to showcase the success stories and to deliberate on critical analysis of the practices. This public platform would also open-up the opportunity for practitioners to meet and to share ideas in open forums. The annual congress would strengthen the planning and implementation of rejuvenating the school education in Kerala.

Target Group

Policy Makers of school and higher education

School Administrators

Faculty members of schools, colleges, universities and teacher training institutions

Researchers

Students

Persons of educational interest

Focal Theme

‘Quality Interventions in School Education for NAVA KERALAM’
