

Submission of Papers

Papers in any of the subthemes in consonance with the focal theme are invited for presentation in the KSEC-2023. Registration for KSEC-2023 is mandatory for presentation of paper. Those who are not presenting any papers can register under the category 'Participation Only'.

Distinctive presentation in each sub theme will be recognised with Merit Certificate and Cash Prize.

The abstract should conform to the guidelines given below.

- An author can make only one presentation in the conference as principal author but can be a co-author for other papers.
- An abstract should not exceed 500 words.
- It should be in MS Word format, font size 12pt, Times New Roman keeping a line space of 1.5pt.
- Title of the paper should be in upper case, font size 14, bold with centre alignment.
- The name of the authors and their affiliations are to be given below the title.

Dates to Remember

Last date of Registration for Submission of Abstract : **10 March 2023**

Communication of Acceptance : **15 March 2023**

Last date of Registration for participation only : **10 March 2023**

Selection of Papers

- Each abstract submitted for presentation will be evaluated by a panel of experts of each subtheme. The committee constituted for selection of papers will make appropriate decision on acceptance on the recommendation of the panel. The decision of the committee will be final.

Proceedings of the KSEC 2023

- The abstracts of papers presented during the KSEC 2023 will be brought out as proceedings and copies will be provided to the participants.

Programmes

- The KSEC-2023 will have plenary sessions, paper presentations, open forum, thematic lectures and cultural programmes as well.

1st kerala school education congress

01-03 April 2023

Kerala Arts and Crafts Village
Vellar, Kovalam, Thiruvananthapuram

Focal Theme

Quality interventions
in School Education
for **NAVAKERALAM**

Department of General Education
Government of Kerala

SCERT Kerala
Thiruvananthapuram-12

Genesis

The Kerala School Education Congress-2023 (KSEC-2023) is scheduled to be organized for the first time in the State during 1-3 April 2023. It is planned as an annual event and a platform to bring together administrators, policymakers, faculty members, teacher educators, teacher trainees, parents, students, and interested persons to exchange knowledge and share advances in the field of school education. The KSEC aims to promote research on school education in the state.

The KSEC would become a platform to deliberate on a chosen focal theme every year to sensitize and encourage different stakeholders to contribute constructively to further the mission of the Department of General Education, Government of Kerala.

This would provide opportunities for different agencies of the Department of General Education to showcase their success stories, deliberate on critical analysis of existing practices and discuss emerging challenges in the field of education. This public platform would open-up novel opportunities to meet and share ideas in an open forum.

The KSEC-2023 would greatly strengthen the planning and implementation of school education in the state of Kerala.

Target Group

- Policy Makers of School as well as Higher Education
- School Administrators
- Faculty of Schools, Colleges, Universities and Teacher Education Centres
- Educational Researchers
- Research Scholars and Students
- The General Public

Focal Theme:

**Quality Interventions
in School Education for
NAVAKERALAM**

Venue & Date

The KSEC-2023 is scheduled to be conducted in **Kerala Arts and Crafts Village Vellar, Kovalam, Thiruvananthapuram** on **April 1, 2 & 3, 2023**

Objectives

- To network Educational Institutions at different levels - Higher Education, Teacher Education, School Education, Research Institutes and Allied Centres.
- To present themes to bring out key suggestions to augment quality interventions in School Education.
- To compile and consolidate inputs towards policy framing and decision making in the field of School Education.
- To disseminate various interventions and measures adopted in school education.
- To share best practices and innovations among Teacher Educators, Teachers and Students at different levels of education.
